ABOUT US

At Camp Agape Hawaii our mission is to minister and mentor children who have an incarcerated parent, providing them with the guidance, support, and hope they need to overcome life's unique challenges. Our cornerstone program, Camp Agape Hawaii, is an annual camp haven for children ages 7-17. While the camp spans just four days each year, our commitment to these young hearts extends far beyond, with an ongoing year round mentorship program as well as monthly events designed to nurture and empower both the children and their families. This year, 2023, marks the 16th successful year of our program reaching over a span of thousands of families in 15 years.

WHY CHOOSE US?

COMMUNITY

We serve our state communities in the highest at-risk locations around our island.

CHANGE

Since 2005, national statistics show that 80% of children who have a parent in prison will follow in their footsteps. In our 15 years of service, less than 10% of our 2000 children have gone to juvenile or prison. Our mission is to serve as many children as possible.

COMMITMENT

Our commitment is to make sure that we change the statistics for these children taking them off the path of destruction and onto a path with positive role models and giving them the encouragement to succeed in life.

MAHALO A NUJI LOA

TO OUR PROSPECTIVE DONOR:

On behalf of our Camp Agape organization and our extended ohana of children and families we serve, we are humbly grateful for your generosity. Your contribution is an answer to our prayers.

Your donation goes far beyond mere financial support; it becomes a catalyst for profound change in the lives of many:

- **A Child:** You become a beacon of light, providing a positive role model for a child in need.
- **A Family:** Your support helps bridge the gaps and brings families closer together strengthening the bonds that incarceration has strained.
- **A Prisoner:** Through your kindness, you offer hope for a brighter future to someone who may have lost it.
- **A Statistic:** You empower individuals to rise above adversity, transforming from mere statistics into success stories.

Your willingness to stand with us and support our ministry is humbling. We invite you to become an integral part of our organization by becoming a sponsor. And we appreciate your consideration.

Once again, thank you for this opportunity to introduce our organization to you. We look forward to the possibility of partnering with your organization.

With heartfelt gratitude,

Pastor Roy Yamamoto Jr.
